News from the Chilliwack PieceMakers Quilting Guild

October 2018

PRESIDENT'S MESSAGE

October is finally here and our Quilt Show is only days away. I am so looking forward to seeing all the quilts hung. We have such talented and diverse members I am positive we will have a wonderful show. Part of our mandate as a Guild is to bring quilting to the community and I cannot think of a better way. Karlie and Wendy have been working hard to make sure we have another very successful show. We still need few volunteers so please sign up at the meeting.

Karri W has resigned as workshop coordinator due to family commitments so I am looking for somebody to step into that role. A huge thank you to Karri for a job well done.

I would like to welcome two new members to the executive committee, Rosemarie is doing hospitality and Dorinda has joined the We Care committee, thank you I am looking forward to working with both of you.

Last month Gail spoke to the meeting about the devastation in the small community of Telegraph Creek on the Stikine River. It was suggested at the executive meeting that the Guild send a We Care Quilt to each of the 26 families who lost their homes and all belongings in the fire. I will take a vote on member's opinions at the meeting.

Looking forward to seeing you all.

Happy Stitching

Janet

PROGRAMS

According to his website:

<http://www.kapaquilts.com> Matt got the quilting bug from his mother, who got it from her mother. Quilting since he was 20, Matt moved from basic traditional quilting to his current passion for Modern Quilts and Design. While living in Hawaii, Matt also enthusiastically picked up the art of Hawaiian Needle Turn Appliqué and Hawaiian Quilting.

Purchasing the local quilt store in his area, The Quilted Bear, Matt took his love of quilting to a whole new level, learning new techniques and

teaching classes. Having since sold the store, Matt now enjoys quilting for his own enjoyment, entering his quilts into local and international shows and competitions, and teaching classes at local guilds and quilt shops.

LIBRARY REPORT

Karlie karliemcc@gmail.com

This month we have two new books for those of you who are interested in doing some crazy quilting. Lots of information on hand stitching.

Valerie Bothell encourages readers to stitch daily, even for a few minutes. If you can stitch one seam 5 days a week, over the course of a year readers will complete 250 seams! The book includes instructions for 61 basic embroidery stitches and over 500 seam-treatment stitch combinations, as well as crazy-quilt-block piecing instructions and information about tools and supplies.

Dive into Laura's delightful world of embroidery and learn how to create small, free-form embroidery pieces that are alive with color and texture. With instructions for 21 embroidery stitches and 6 projects, all in Laura's signature colorful, whimsical style, you'll transform a flat, plain surface into a joyful, design-packed art piece. Stitch on wool, felt, or silk, and enjoy the simple pleasure of slow stitching. Includes a gallery of display ideas

Don't forget we are interested in hearing of any new books you would like to see in the library.
