News from the Chilliwack PieceMakers Quilting Guild

June 2018

### PRESIDENT'S PIECE

We are already at the last meeting of our anniversary year. How time has flown!

Thank you to all the executive members who have worked so hard to make our Guild a success. So much has, and is still, happening, from making the raffle quilt last September, to the bus trip to CQA in May, with many activities in between, including the making of a new anniversary Guild table cloth.

Talking of CQA if you purchased a "post card" please bring it to Guild for a mini show and tell.

It has been suggested we set up a "loan system" for unusual quilting items. If you have say a special ruler you bought for a project long ago finished, would you be willing to lend it to another member? I would set up a list which would be posted on our web site and it would be a direct loan, member to member. If you are interested please let me know.

All the time we are looking at how we

can make the meeting time more efficient. It was suggested to me that members could arrive earlier. I am there just after 6:00 pm, and this could be a good visiting time as well as helping with set up. I am always open to new ideas so if you have a "brain wave" please pass it on!!!!!!

I am looking forward to seeing as many of you as possible at our pot luck this month. Remember even if you don't want to eat please come and visit. Karlie has arranged for a special group of quilts to be displayed which should be really interesting. If I don't see you at the meeting I hope you have a wonderful summer.

a mystical word or expression used when fabric magically appears in your stash that you forgot buying, hid under the stairs, or stashed under your bed months ago.

## PINCUSHION EXCHANGE

Everyone needs a new pincushion. To accomplish this we are going to have a pincushion exchange, we would like you to make and bring your pincushion to the September meeting.

We will then have a display at the Quilt show in October and then in November we will have a secret draw ...how we are going to do that is yet to be determined.

So go search your patterns, books and magazines and Pinterest or design your own.

This is just meant to be fun, is not mandatory, don't stress over it!

Please don't forget to put your name on it in some manner on the bottom of the pincushion.

## workshops

Fifty-four attendees piled into our bus this past Saturday to attend the Quilt Canada show in Vancouver. There was a wide variety of quilts to ooh and awe over, a little something for everyone (not to mention the shopping)!

I wish you a very relaxing and enjoyable summer break. Stay tuned for new workshop ideas for the coming year.

Cheers!  
Karri

## **Reduce Your Stash, Increase Your Cash**

If you are interested in selling any items at the Consignment Boutique table, please let Sandra know so she can add you to the list of people who have already signed up. The guild will collect a 20%

commission on sold items. Remember you will need to price all your items, have them ready for display and drop them off on the Friday of the show Oct 19. You do not need to be involved with the selling of your items.

### [Guild Challenge - Sew That Tune](#)

At our May meeting, questions were asked regarding the challenge project. 'Can the project be a bag or a pillow, etc.?' The answer is yes. As sewers/ quilters we know how to be practical, so making your quilted project into something so useful is a great idea. Just keep the size/scale to our guidelines. It's your show. Have fun.

On-line registration of Challenge quilt:

You will only need to fill out the following areas of the form:

Quilt Title (your song title)...

Made By...

Membership #...

Story/Comments...In this section, please indicate 'Challenge Quilt / Sew That Tune'

If you have any questions, please don't hesitate to ask.

**‘Conversations’** is FAN’s newest travelling exhibition; I had the pleasure of putting together all aspects of this exhibit. Conversations premiered as a concurrent exhibit during Quilt Canada’s National Juried Show this past May 31 to June 2, in Vancouver, British Columbia. It is an exhibition of work comprised from 48 different FAN members.

**FAN** (Fibre Art Network) is a co-operative of Professional Fibre Artists in Western Canada, showcasing original fibre arts. The group is committed to promoting fibre art as an art form and each other as artists. FAN members come from British Columbia, Alberta, Saskatchewan, and Manitoba, the Yukon, Northwest Territories and Nunavut. FAN membership includes emerging fibre artists, teachers,

authors, judges and award winning textile artists; their bios can be viewed here. [FAN Artists](#) Many have shown their work nationally and internationally and some have won both national and international recognition for their work. The cooperative engenders fellowship

of like-

of like-minded friends and celebrates differences as well as common interests. We share our learning and news in a monthly newsletter, through our website [fibreartnetwork.com](http://fibreartnetwork.com) and at an annual conference where we connect and stretch our comfort zone. We currently produce at least one show per year, with several available for exhibition.

For **Conversations** the members partnered and created a conversation that set the boundaries for their imagery so that the two pieces responded or related to each other. The partner groups were varied from siblings or best friends to acquaintances or complete strangers who forged new friendships. They used a wide range of traditional and contemporary fibre-art techniques in a variety of styles from realistic to abstract. Decided upon were the general theme, colours, size and orientation of the pieces through actual face-to-face meetings, email or texting. Some of the artists shared fabric across the two pieces and connected the

imagery from one to the other while others responded to a similar concept. Many of the works included text or parts of their conversation on the surface of the art. All of the partners were required to submit a narrative of their conversation, which provided interesting reading and insights into their work. A complete viewing of all the artists' work can be seen here. [FAN Conversations](#) Hopefully you will be able to view this spectacular work in person, **Conversations** will travel for a period of two years to various galleries across Canada.
